

Inaugural Blonde is a special release commemorating one of two first commercial batches we produced. It is a dry, bright, crisp cider featuring Ellis Bitter and Ashmead's Kernel apples from Wombat Flats Farm in Corvallis, OR. We also add a touch of pear to improve mouthfeel and flavor profile. Employing French wine making techniques of Sur Lie (extended aging on lees), and Bâtonnage (stirring the lees), the cider has a complex flavor and refined taste, while being fermented fully dry.
